Professional Management Services List

This list is provided as a service to landowners seeking forest management assistance and does not imply an endorsement of any firm by the Texas A&M Forest Service.

The following firms or persons provide professional management services to forestland owners. Provided services may include forest management plans, timber appraisal, timber inventory, timber sale administration, vegetation surveys and others. The entities listed do not purchase timber or forestland and charge a fee for their services which can be a set rate or a percentage of timber sale proceeds. All persons listed on this list are graduate foresters and possess at a minimum a bachelor’s degree in forestry or forest management from a four year university. Landowners are responsible for ensuring a firm’s ability to meet their needs.

The following denotes a firm(s) or person(s) membership in a respective professional society or association:

- **ACF** = Association of Consulting Foresters
- **ISA** = International Society of Arboriculture Certified Arborist
- **CF** = Society of American Foresters Certified Forester
- **TAF** = Texas Accredited Forester
