**Nature Challenge – Shapes of the Sea**

Tier 1 Challenge (participant ages 0-8)

Welcome to the Texas State Aquarium, just one of the many sites in this year’s Nature Challenge 2014! Your challenge is to draw animals found at the Aquarium using geometric shapes. Use this sheet and the pictures you take to complete your scrapbook!

**TAKE A PICTURE WITH YOUR DRAWING AT EACH EXHIBIT YOU VISIT**

Draw a **fish** and a **sea turtle** using geometric shapes!

What species of fish did you draw?
