

Texas A&M Forest Service 200 Technology Way, Suite 1281, College Station, TX 77845-3424 979/458-6650

List of East Texas Forestry Vendors

This list of forestry vendors that offer services in East Texas is divided into four groups:

- Tree planting
- Mechanical site preparation
- Herbicide application
- Prescribed burning

These listings do not imply an endorsement of any particular firm by the Texas A&M Forest Service. It is provided as a service to landowners seeking assistance with forestry practices on their land. Forestland owners should satisfy themselves as to the ability of a firm to meet their needs.

The Texas A&M Forest Service in no way certifies that vendors listed here meet all legal requirements. It is imperative that you as a landowner require proof of insurance (workers comp, liability, etc.), proof of DOL registration as a farm labor contractor if required, and proof of TDA Commercial Applicators License for herbicide vendors.

If you are a vendor and would like to have your business included on this list, or are already listed and would like to update your information, please contact *Shane Harrington* at 979-458-6650 or sharrington@tfs.tamu.edu.
