

**RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM
FUNDING SUMMARY – MEETING 3
JANUARY, 2003**

During the 77th Legislative Session, the Texas Legislature passed House Bill 2604, establishing the Rural Volunteer Fire Department Assistance Program. The program assists fire departments with the purchase of equipment and training. Funds for the program are set at \$15 million per year, and become available on September 1, 2002.

On January 23, 2003, the Texas Forest Service conducted its third meeting for FY 2003 to review applications and award funding. At that meeting, over \$3,578,000 in grants were awarded to fire departments across the state.

All departments receiving awards will receive an official Letter of Approval. Any requests for assistance not approved at this meeting will continue to be reviewed at future funding meetings.

To date, the HB 2604 Program has received over \$51 million in requests for assistance, and has awarded over \$11.6 million in grants to Texas volunteer fire departments.

Additional funding meetings will be conducted throughout the year. Eligible departments are encouraged to apply.
