

**RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM
FUNDING SUMMARY – MEETING 1
SEPTEMBER 2003**

The Rural Volunteer Fire Department Assistance Program was created by the Texas Legislature in 2001. The program provides cost-share grants to qualified volunteer fire departments for the acquisition of equipment and training. Approximately \$14.5 million in grant funds are available each year, beginning on September 1.

On September 25, 2003, the Texas Forest Service conducted its first funding meeting for Fiscal Year 2004. Approximately \$3.5 million dollars in grant funds were awarded. The grant recipients are listed below in alphabetical order.

Each department receiving a grant will receive an official Letter of Approval confirming the award.

All applications not funded at this meeting will continue to remain active for three years, unless funded or cancelled.

Additional funding meetings will be held throughout the year. Eligible departments are encouraged to apply.

First Meeting Approvals:

VFD	County	Equipment Category	Cost-Share Amount
