

**ANNUAL REPORT**

**FISCAL YEAR 2012**

**RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM  
(RVFDAP or HB 2604 PROGRAM)**

**I. OVERVIEW**

The Rural Volunteer Fire Department Assistance Program (also known as the RVFDAP or the HB 2604 Program) was originally established in 2001 by the 77th Texas Legislature and expanded in 2009 by the 81<sup>st</sup> Legislature. RVFDAP provides two types of grants: VFD Assistance Grants and TIFMAS Grants. The program is administered by the Texas A&M Forest Service (TFS).

VFD Assistance Grants

The VFD Assistance Grants are funded through the Rural Volunteer Fire Department Assistance Fund (Fund 5064), which is composed of revenue derived from an assessment on certain property and casualty insurers. The VFD Assistance Grants criteria, process, and procedures were developed in the spring of 2002 in consultation with statewide advisory groups composed of firefighters, community leaders, educators, representatives from the State Firemen’s and Fire Marshals’ Association of Texas, Texas Engineering Extension Service, and the Texas Commission on Fire Protection. The VFD Assistance Grants are cost-share grants provided to volunteer fire departments in the following categories:

Category	Grant Funding Limit
Fire Trucks	90% of the actual cost not to exceed certain maximums
Fire Truck Chassis'/Slip-On Modules	90% of the actual cost not to exceed certain maximums
Fire Equipment/Rescue Equipment	75% of the actual cost not to exceed certain maximums
Firefighter Protective Clothing	90% of the actual cost not to exceed certain maximums
Firefighter Training Tuition / Fire Training Libraries	100% of the cost of pre-approved courses, subject to certain maximums
Dry Hydrants	100% of the costs of components, subject to certain maximums

TIFMAS Grants

The 81<sup>st</sup> Texas Legislature transferred \$1,000,000 per year from the Texas Commission on Fire Protection’s Fire Department Emergency Program to the TFS for administration under RVFDAP in January of 2010. These funds come from the Department of Insurance Fund (Fund 036) and are maintained in a separate account within the Rural Volunteer Fire Department Assistance Fund (Fund 5064), as required by statute. TFS worked closely with fire service advisors to develop criteria, process, and procedures for these grants. TIFMAS is an acronym for Texas Intrastate Fire Mutual Aid System. The TIFMAS Grants are awarded to fire departments that are not eligible for the VFD Assistance Grants.

II. ACTIVITY

VFD Assistance Grants

In fiscal year 2012, spending authority for VFD Assistance Grants was substantially reduced by the state legislature as a result of the state financial crisis. The grants budget was reduced from \$23,250,000 to \$7,000,000 in fiscal year 2012. Because of limited funding, TFS targeted two grant categories which were judged to have the highest impact on firefighter safety. The categories were 1) firefighter training, and 2) firefighter personal protective equipment (PPE). All eligible applications for firefighter training tuition were approved. Regional allocation targets were modified in order to fund the majority of applications for firefighter personal protective equipment. Grants for a small number of first fire trucks were also approved in August 2012 with the limited amount of funds remaining at year-end.

Grant funds were distributed by Region in these proportions in FY 2012:

<u>WEST TEXAS</u>	<u>CENTRAL TEXAS</u>	<u>EAST TEXAS</u>
16.16%	60.03%	23.81%

TIFMAS Grants

In fiscal year 2012, \$1,000,000 in TIFMAS grants were approved in the categories of 1) TIFMAS vehicles, 2) training tuition grants, and 3) supplemental radios. Funds were apportioned 80% to TIFMAS vehicles/radios, and 20% to training tuition grants. TIFMAS vehicle grants were approved and assigned to applicants within five of the seven TFS administrative branches in the state based upon the established branch rotation schedule. Grants for supplemental radios were approved and assigned to fifteen TIFMAS vehicles that are currently in service.

III. STATUS

VFD Assistance Grants

TFS conducted funding meetings in September, November, March, and August of FY 2012. The attached summaries show the grant approvals by category, region, fire department, and county. The following is a summary of the requests for assistance that were approved:

Category	Number of Grants	Number of Items	Cost-Share \$ Value
Fire Trucks	15	15	\$1,639,894.00
Fire Truck Chassis / Slip-On Modules	-0-	-0-	-0-
Fire / Rescue Equipment	128	154	\$724,486.44
Personal Protective Equipment (PPE)	561	6,675	\$2,875,931.69
Training	1,749	6,602 Students 65 Libraries 39 E-Projectors	\$2,098,636.82
<b>TOTAL</b>	2,453 Grant Applications Approved		\$7,338,948.95 in Grant Funds Allocated

TIFMAS Grants

In fiscal year 2012, the following grants were awarded under the TIFMAS Grant Assistance Program:

Category	Number of Grants	Cost-Share \$ Value
Fire Trucks	5	\$ 779,549.28
Training Tuition	157 (1,177 students)	\$ 202,611.16
Supplemental Radios	15	\$ 17,793.60

#### IV. PLANS FOR FY 2013

In response to the state financial crisis, the Texas Legislature reduced FY 2013 spending authority for the VFD Assistance Grants to the same level as for FY 2012. As a result, TFS will continue its modified grant assistance strategy to stretch the limited dollars as far as possible and will place highest priority on approving grants in the categories that most significantly impact firefighter safety. Those categories are Personal Protective Equipment (PPE) and Firefighter Training. A limited line item of \$1.0 million will be set aside for emergency grants to help fire departments replace fire trucks and equipment that may be lost in unexpected, catastrophic events.

#### V. LEGISLATIVE NEED

TFS has included an exceptional item request in its 2014-15 LAR to restore spending authority for the VFD Assistance Grants.

#### VI. EFFECTIVENESS

The Rural Volunteer Fire Department Assistance Program continues to be a highly effective program and is recognized nationwide as one of the most successful legislative initiatives of Texas government in the 21<sup>st</sup> century. In its first 10 years of operation it has placed into service over 1,417 fire trucks, has provided safety gear to an estimated 59,000 firefighters, and has helped train approximately 46,000 firefighters. In 2006, the USDA Forest Service awarded the program its national Franklin Award for outstanding service in protecting underserved rural communities.

TFS continues to leverage RVFDAP funds with federal USDA funds in an effort to stretch state funds as far as possible. The program has a simple and straightforward grant application process that makes it easy for rural fire departments to enroll.

The program continues to be very friendly and responsive to the needs of Texas communities. It has experienced overwhelming support and participation from Texas volunteer fire departments. Grant application backlogs are forecast to continue for the foreseeable future.

On behalf of volunteer fire departments everywhere, TFS extends its sincere thanks and gratitude to the members of the Texas Legislature who work to lead, strengthen, and improve this valuable program.
