

TEXAS A&M FOREST SERVICE

ANNUAL REPORT

FISCAL YEAR 2013

RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM (RVFDAP or HB 2604 PROGRAM)

I. OVERVIEW

The Rural Volunteer Fire Department Assistance Program (also known as the RVFDAP or the HB 2604 Program) was established in 2001 by the 77th Texas Legislature and expanded in 2009 by the 81st Legislature. RVFDAP provides two types of grants: VFD Assistance Grants and TIFMAS Grants. The program is administered by the Texas A&M Forest Service (TFS).

VFD Assistance Grants

The VFD Assistance Grants are funded through the Rural Volunteer Fire Department Assistance Fund (Fund 5064), which is composed of revenue derived from an assessment on certain property and casualty insurers. The VFD Assistance Grant criteria, process and procedures were developed in the spring of 2002 in consultation with statewide advisory groups composed of firefighters, community leaders, educators, representatives from the State Firemen's and Fire Marshals' Association of Texas, Texas A&M Engineering Extension Service, and the Texas Commission on Fire Protection. The VFD Assistance Grants are cost-share grants provided to volunteer fire departments in the following categories:

Category	Grant Funding Limits
Fire Trucks Fire Truck Chassis' Slip-On Modules	90% of the actual cost not to exceed certain maximums
Fire Equipment Rescue Equipment Training Equipment	75% of the actual cost not to exceed certain maximums
Firefighter Protective Clothing	90% of the actual cost not to exceed certain maximums
Firefighter Training Tuition Fire Training Libraries	100% of the cost of approved courses, subject to certain maximums
Dry Hydrants	100% of the costs of components, subject to certain maximums

TIFMAS Grants

The 81st Texas Legislature transferred \$1,000,000 from the Texas Commission on Fire Protection’s Fire Department Emergency Program to TFS for administration under the RVFDAP in January of 2010. These funds are from the Department of Insurance Fund (Fund 036) and are maintained in a separate account within the Rural Volunteer Fire Department Assistance Fund (Fund 5064), as required by statute. TFS worked closely with fire service advisors to develop criteria, processes and procedures for these grants. TIFMAS is an acronym for Texas Intrastate Fire Mutual Aid System. The TIFMAS Grants are awarded to fire departments that are not eligible for the VFD Assistance Grants.

II. ACTIVITY

VFD Assistance Grants

The grants budget was substantially reduced by the state legislature in FY 2012 from \$23,250,000 to \$7,000,000, and funding remained at this level in FY 2013. Because of limited funding, TFS targeted two grant categories which were judged to have the highest impact on firefighter safety. The categories were 1) firefighter training and 2) firefighter personal protective equipment. All eligible applications for firefighter training tuition assistance were approved. Regional allocation targets were modified in order to fund the majority of applications for firefighter personal protective equipment. Grants for a small number of fire trucks were also approved in August 2013 with the limited amount of funds remaining at year-end.

Grant funds were distributed by Region in these proportions for FY 2013:

<u>WEST TEXAS</u>	<u>CENTRAL TEXAS</u>	<u>EAST TEXAS</u>
21.30%	56.51%	22.19%

TIFMAS Grants

In fiscal year 2013, TIFMAS grants were approved in the categories of 1) TIFMAS vehicles, 2) training tuition grants, and 3) supplemental radios. Funds were apportioned 80% to TIFMAS vehicles/radios, and 20% training tuition grants. TIFMAS vehicle grants were approved and assigned to applicants within five of the seven TFS administrative branches in the state based upon the established branch rotation schedule. A supplemental radio grant was approved and assigned to a TIFMAS vehicle that was currently in service.

III. STATUS

VFD Assistance Grants

TFS conducted funding meetings in September, November, April, and August of fiscal year 2013. The attached summaries show the grant approvals by category, region, fire department, and county. The following is a summary of the requests for assistance that were approved:

Category	Number of Grants	Number of Items	Cost-Share \$ Value
Fire Trucks	13	13	\$1,589,000.00
Fire Truck Chassis / Slip-On Modules	-0-	-0-	-0-
Fire / Rescue Equipment	217	272	\$1,171,339.18
Personal Protective Equipment (PPE)	455	2,798	\$2,535,786.31
Training	1834	6,650 Students 84 Libraries 40 E-Projectors	\$2,313,972.26
TOTAL	2,519 Grant Requests Approved		\$7,610,097.75 in Grant Funds Allocated

TIFMAS Grants

In fiscal year 2013, the following grants were awarded under the TIFMAS program.

Category	Number of Grants	Cost-Share \$ Value
Fire Trucks	5	\$702,274.95
Training Tuition	263 (1,386 students)	\$289,708.68
Supplemental Radios	1	\$ 1,485.43

III. PLANS FOR FY 2014

The Texas Legislature increased the spending authority for the VFD Assistance Grants to \$12,800,000. The Texas A&M Forest Service will modify its statewide funding strategy for the Rural VFD Assistance Program in FY 2014. Priority will be placed on approving outstanding grant applications VFDs requesting funding for their fire truck from this program. This will complete the goal of assisting every qualified volunteer fire department with the acquisition of at least one fire truck. Achieving this goal will set the stage for the launch of round-two of fire truck grants.

V. LEGISLATIVE NEED

The HB 2604 Program has been incredibly successful since it was initiated by the 77th Texas Legislature. However, with over \$125 million in unapproved requests, much remains to be done. Increases to the program's spending authority would greatly expedite the program's ability to meet these critical needs.

VI. EFFECTIVENESS

The Rural Volunteer Fire Department Assistance Program continues to be a highly effective program and is recognized nationwide as one of the most successful legislative initiatives of Texas government in the 21st century. In its first 11 years of operation it has placed into service over 1,457 fire trucks, has provided safety gear to an estimated 62,000 firefighters, and has helped train approximately 51,000 firefighters. In 2006, the USDA Forest Service awarded the program its national Franklin Award for outstanding service in protecting underserved rural communities.

TFS continues to leverage RVFDAP funds with federal USDA funds in an effort to maximize program assistance. The program has a simple and straightforward grant application process that makes it easy for rural fire departments to enroll.

The program continues to be very user friendly and responsive to the needs of Texas communities. It has experienced overwhelming support and participation from Texas fire departments. Grant application backlogs are forecasted to continue for the foreseeable future.

On behalf of volunteer fire departments everywhere, the Texas A&M Forest Service extends its sincere thanks and gratitude to the members of the Texas Legislature who work to sustain and strengthen this valuable program.
