Texas A&M Forest Service tax workshops have trained hundreds of foresters, landowners, tax preparers, attorneys, tax appraisers, logging professionals, land trust managers and financial advisors in East Texas.

The tax workshops will help you:
- Learn special timber tax laws and rules that are not well understood by many tax professionals
- Apply the rules through examples that apply basic concepts
- Find answers to your top questions

Participants will receive a workbook loaded with information including presentation materials, standard examples, and supplemental readings.

The workshop qualifies for Continuing Education Credits. No prerequisite needed!

The daylong workshop will provide working knowledge of timber tax including basics about timber taxation and the latest changes to tax laws and rules for 2021 tax return preparations. Topics will focus on federal timber income tax issues for private forest owners with a refresher on local timberland property tax incentives. Participants will gain a clear understanding of commonly misunderstood timber tax issues.
