

Certified Prescribed Burn Manager Course

Presented by

Location: Mt. Pleasant, TX- Titus County AgriLife Facility (1708 Industrial Rd.)

When: April 10-14, 2023 (9:00 am to 5:00 pm)

Cost: Free (if all seats fill then priority given to experienced burners)

This Certified Prescribed Burn Manager Training will be held April 10-14, 2023 (1/2 day on the 14th) at the Titus County AgriLife Extension Service meeting room in Mt. Pleasant, TX. The course will be open to the public, but pre-registration is required. Lots of space is available but if seating fills up then priority will be given to students who meet the experience requirements for TDA certification.

Students who pass the final exam will meet the education requirements for becoming a Texas Department of Agriculture- Certified and Insured Prescribed Burn Manager. Additional requirements for TDA certification include: 3 years of prescribed burning experience, 30 days of prescribed burning in any region, 5 days of prescribed burning as the responsible individual, and a qualifying insurance policy (these are required to be certified but not prerequisites for the course). The field day of this course will require students to demonstrate an ability to safely participate in a prescribed burn. To register for the course, email a completed form to Andy McCrady, Texas A&M Forest Service- Program Coordinator III (936-689-9393), at wmccrady@tfs.tamu.edu by March 30, 2023.

Please print or fill out digitally.
