ANNUAL REPORT

FISCAL YEAR 2017

RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM (HB 3667)

I. OVERVIEW

The Rural Volunteer Fire Department Insurance Program was established in 2001 by the 77th Texas Legislature (House Bill 3667). The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death and disability insurance for members of volunteer fire departments. The program is funded through the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which is composed of tax revenue equal to two-percent on fireworks sales.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual grant reimbursement rate to be offered based upon forecast revenue and the forecast enrollment of members of volunteer fire departments.

The program is administered by the Texas A&M Forest Service (TFS).

II. ACTIVITY

The FY 2017 expense budget for the Rural Volunteer Fire Department Insurance Program was set at \$1,465,000, which was the amount appropriated in the General Appropriations Act (GAA). Of this total, \$1,394,090 was allocated to grants and \$70,910 was allocated to administrative costs. The actual amount collected by the Rural Volunteer Fire Department Insurance Fund (Fund 5066) during FY 2017 was \$1,862,335, which enabled the agency to award an additional \$305,769 in grants, above what was originally budgeted.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$125 per enrolled members with a provision to include a supplemental offering in FY 2017. The grants reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

TFS launched open enrollment beginning in November 2016. Enrollment remained open through July 31, 2017.

III. STATUS

The program achieved near record high enrollment in fiscal year 2017. The following grants were awarded:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Awarded</u>
609	14,689	\$1,699,859

The attached summary presents the individual disposition of grant funds awarded in FY 2017.

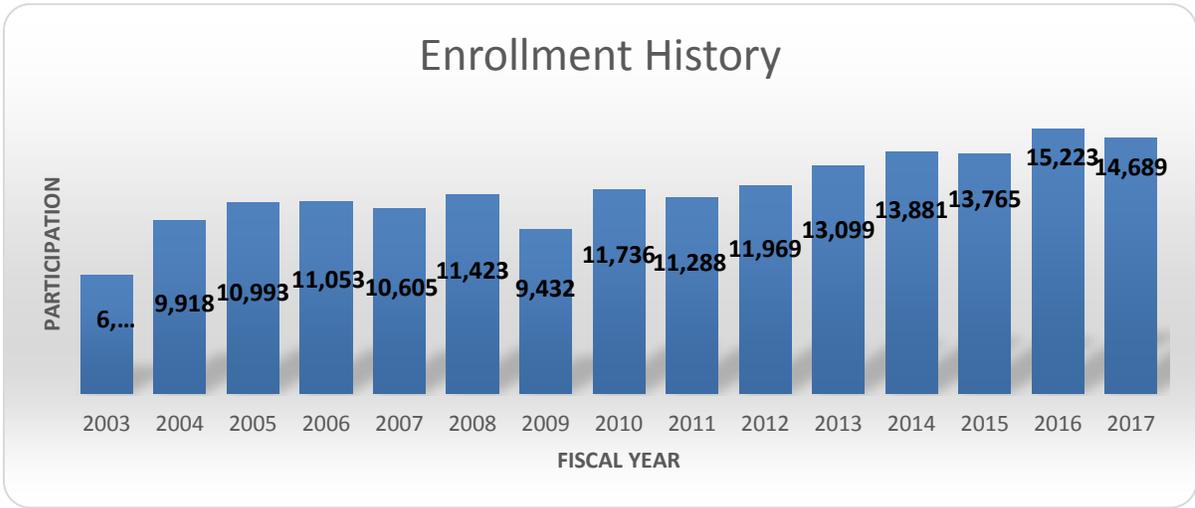

IV. PLANS FOR FY 2018

The spending authority for the Rural Volunteer Fire Department Insurance Program grants is set at \$1,868,382. The HB 3667 Advisory Committee will be meeting in late October to discuss plans for FY 2018. A reimbursement rate of \$125 per enrollee will be recommended for FY 2018. This is consistent with the initial FY 2017 reimbursement rate. After approval from the Advisory Committee, this rate will be implemented with open enrollment scheduled to begin in November 2017 and end July 31, 2018. Based upon actual revenue received, a supplemental offering will be considered in August 2018.

V. EFFECTIVENESS

This is a highly effective program. Approximately 53% of grant recipients were reimbursed 100% of their cost of insurance coverage for their members under this program.

TFS has continued to improve the effectiveness of the Rural Volunteer Fire Department Insurance Program by developing a user friendly application and efficient processing procedures for enrollees.
