4.5 Applicant Rating Guide for TIFMAS Apparatus

Fire department applications are assigned a numerical rating based upon rating criteria described in the applicant rating guide below. Applications are also eligible for bonus points based upon the age of the application. Beginning 12 months after a truck application is received, 0.5 bonus points are added each month to the application's rating number. The maximum rating number any application may have is 90.

APPLICANT RATING GUIDE FOR TIFMAS APPARATUS

Criteria
