

## **ANNUAL REPORT**

### **FISCAL YEAR 2020**

#### **RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM (HB 3667)**

##### **I. OVERVIEW**

The Rural Volunteer Fire Department Insurance Program was established in 2001 by the 77<sup>th</sup> Texas Legislature (House Bill 3667). The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death and disability insurance for members of volunteer fire departments. The program is funded through the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which is composed of tax revenue equal to two-percent on fireworks sales.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual grant reimbursement rate to be offered based upon forecast revenue and the forecast enrollment of members of volunteer fire departments.

The program is administered by the Texas A&M Forest Service (TFS).

##### **II. ACTIVITY**

The FY 2020 expense budget for the Rural Volunteer Fire Department Insurance Program was set at \$2,160,000 which was the amount appropriated in the General Appropriations Act (GAA). Of this total, \$2,001,523 was allocated to grants, \$73,352 was allocated to administrative costs, and \$85,125 was allocated to the 5% reduction plan assessed by the Legislative Budget Board.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$175 per enrolled members with a provision to include a supplemental offering in FY 2020. The grants reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

TFS launched open enrollment beginning in November 2019. Enrollment remained open through July 31, 2020.

### III. STATUS

The program achieved positive enrollment in fiscal year 2020. The following grants were awarded:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Awarded</u>
642	15,318	\$2,001,523.00

The attached summary presents the individual disposition of grant funds awarded in FY 2020.

### IV. PLANS FOR FY 2021

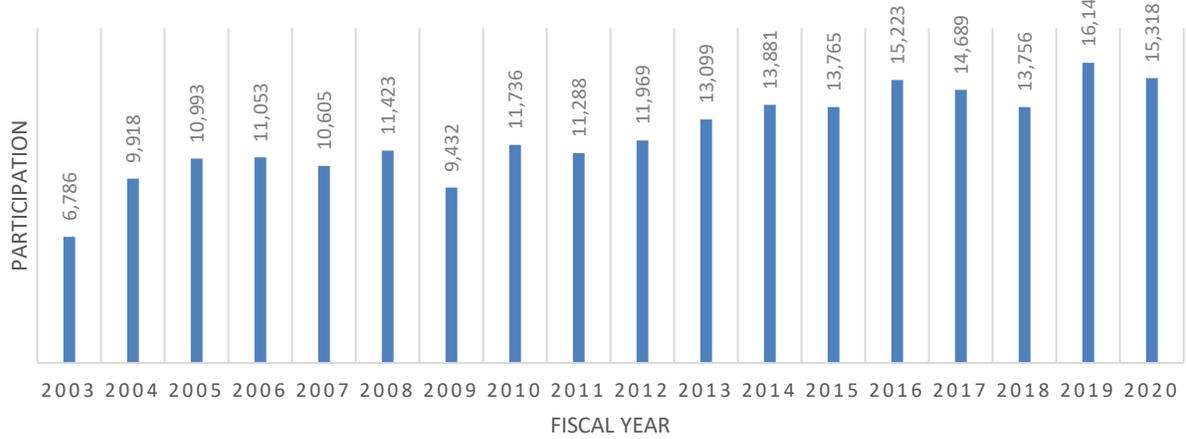

The HB 3667 Advisory Committee will be meeting in late October to discuss plans for FY 2021. A reimbursement rate of \$175 per enrollee may be recommended for FY 2021. This is consistent with the FY 2020 reimbursement rate. After consultation with the Advisory Committee, the new rate will be implemented with open enrollment scheduled to begin in November 2020 and end July 31, 2021, subject to the availability of grant funds. Based upon program participation and actual revenue received, a supplemental offering will be considered in August 2021.

### V. EFFECTIVENESS

This is a highly effective program. Approximately 67% of grant recipients were reimbursed 100% of their cost of insurance coverage for their members under this program.

TFS has continued to improve the effectiveness of the Rural Volunteer Fire Department Insurance Program by increasing marketing efforts and maintaining a user friendly application and efficient processing procedures for enrollees.

## ENROLLMENT HISTORY

<b>Fiscal Year</b>	<b>Maximum Grant Reimbursement Rate per Member of Fire Department</b>
2003	\$ 80.00
2004	\$ 70.00
2005	\$ 70.00
