FUNDING LIST KEY

Revised Rating: Beginning 12 months after an application is received, 0.5 bonus points will be added each month to the application's rating number. Longevity bonus points apply to all categories. The Age of Fleet rating component takes into consideration the age of the equivalent apparatus being replaced (if applicable). Age of Fleet bonus points apply only to truck and chassis applications.

Prior Approvals (PA): The sum of all HB 2604 grant approvals a Fire Department has received within the last 12 months, excluding any training tuition, FFP slip-on, and emergency grants.

Over PA Max: The Prior Approval (PA) Max is \$9,999.99. If a department has received \$10,000 or more in grant approvals in the last 12 months, then the request is skipped unless the application is for a truck or chassis.

Fed Funds Compliant: If federal funds are used at this meeting, a "Yes" denotes that the department meets all federal funding requirements and a "No" indicates that they do not meet the federal funding requirements. If federal funds are not utilized at the meeting, "N/A" will be listed in the column. If federal funds are not used in a category, "N/A" will be listed.
