

ANNUAL REPORT

FISCAL YEAR 2018

RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM (HB 3667)

I. OVERVIEW

The Rural Volunteer Fire Department Insurance Program was established in 2001 by the 77th Texas Legislature (House Bill 3667). The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death and disability insurance for members of volunteer fire departments. The program is funded through the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which is composed of tax revenue equal to two-percent on fireworks sales.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual grant reimbursement rate to be offered based upon forecast revenue and the forecast enrollment of members of volunteer fire departments.

The program is administered by the Texas A&M Forest Service (TFS).

II. ACTIVITY

The FY 2018 expense budget for the Rural Volunteer Fire Department Insurance Program was set at \$1,940,000 which was the amount appropriated in the General Appropriations Act (GAA). Of this total, \$1,868,382 was allocated to grants and \$71,618 was allocated to administrative costs.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$155 per enrolled members with a provision to include a supplemental offering in FY 2018. The grants reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

TFS launched open enrollment beginning in November 2017. Enrollment remained open through July 31, 2018.

III. STATUS

The program achieved positive enrollment in fiscal year 2018. The following grants were awarded:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Awarded</u>
587	13,756	\$1,868,389.65

The attached summary presents the individual disposition of grant funds awarded in FY 2018.

IV. PLANS FOR FY 2019

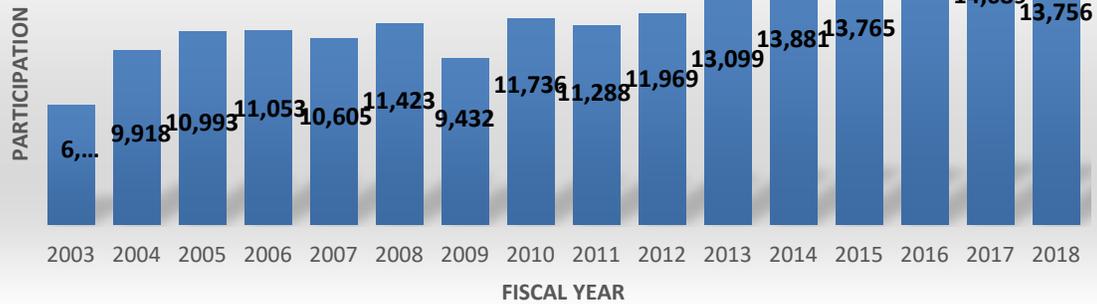

The HB 3667 Advisory Committee will be meeting in late October to discuss plans for FY 2019. A reimbursement rate of \$155 per enrollee may be recommended for FY 2019. This is consistent with the initial FY 2018 reimbursement rate. After approval from the Advisory Committee, the new rate will be implemented with open enrollment scheduled to begin in November 2018 and end July 31, 2019. Based upon actual revenue received, a supplemental offering will be considered in August 2019.

V. EFFECTIVENESS

This is a highly effective program. Approximately 87% of grant recipients were reimbursed 100% of their cost of insurance coverage for their members under this program.

TFS has continued to improve the effectiveness of the Rural Volunteer Fire Department Insurance Program by developing a user friendly application and efficient processing procedures for enrollees.
